About Course

This English language course will teach you about some of the most simple parts of the English language in clear, and easy to understand language. English is spoken by more than 1.5 billion people in the world. This course will teach you essential English grammar, useful English vocabulary, and lots of tips and tricks to help you get started with English. In this English course for beginners, you will first study the English pronouns such as I, You, He, She, and It. You will then learn the English alphabet from A to Z with an audio file that will teach you how to pronounce the letters properly. Next, you will learn how to start a conversation, introduce yourself, and say simple greetings. You will then learn some really important English words to help boost your vocabulary.
