About Course

Joomla Course is meticulously designed to empower web developers with expertise in Joomla, a powerful content management system (CMS) transforming website creation. Our institute specializes in offering comprehensive coaching and training focused on Joomla, catering to individuals seeking proficiency in this versatile platform. Our coaching methodology at Shree Academy prioritizes a hands-on, immersive learning experience. The Joomla Course integrates theoretical knowledge with practical application. Led by industry experts well-versed in Joomla, this training equips participants with a robust understanding of Joomla's functionalities, including templating, extensions, content management, and website customization.
