About Course

Animation is an ever growing industry providing job opportunities and careers to a large number of people. We offers a platform to enter this lucrative industry, all you need is imaginative powers and a vision. There are no pre-requisites to take up this course, all you need is a little creativity, passion and dedication towards your ultimate goal of excelling as an animator. The animation industry is growing at a rapid pace due to the growth of the gaming industry and the entertainment sector. Animation has gained momentum due to the use of special effects, creative characterization and extensive implementation of visualization. Our Course offers a comprehensive syllabus and regular assignments, thus nurturing budding animators entering the animation industry.
