## ABOUT COURSE

Adobe InDesign is perfectly framed desktop publishing software for designing unique brochures, flyers, magazines, newspapers, books and other documentation. Adobe InDesign is the flexibility to share the documents created in both digital and print media. InDesign can support publishing the documents for print, online as well as tabled viewing. InDesign offers extensive typographic and color controls to the designers which brings together images, vector graphics, charts, PDFs, text and other additional decorative elements in one location to generate a complete digital file for either print or online use. With so many features and capabilities, InDesign provides a vast support to graphic artists and publishing technicians to design and publish their work across various platforms.
