About Course

These elementary English courses are great for anybody who wants to progress onto the Elementary. They will teach you important words and phrases, basic grammar, and have you listen to English spoken by native English speakers. To find similar courses check out our Beginner Level English, Intermediate Level English, and Advanced Level English pages. At the start of this course, you will be introduced to English adjectives and adverbs and learn how common words and their opposites are formed in English. You will then learn the rules for using adverbs of frequency with other words. You will then study family-related vocabulary and verb-noun phrases. You will also learn how to use auxiliary verbs in positive, negative, and question sentences.
